

Here We Go! Clue #2

Scrap-In-A-Box – Clue #2

If using 2 7/8" background squares, cut them in half on the diagonal OR if using the Easy Angle Tool, use the background HST's cut from 2 1/2" strips. Sew one triangle to each side of the 2 1/2" colored side of the unit made in clue #1. (Unit will appear similar to the unit in clue #1) Trim off the dog ears. Complete 82.

Part 1 of Clue #2
Scrap-In-A-Box
Mystery

If using the 4 7/8" colored squares, cut them in half on the diagonal OR if using the Easy Angle Tool make the HST's from 4 1/2" strips. Sew the colored HST to the unit in Clue #2 to make a 4 1/2" square. Square up if necessary. Trim off dog ears and press to the colored side. Complete 82. No need to match....make them random but pleasing.....Actually they don't have to be that pleasing!!! Ha! Remember: Diversity is your friend. So mix up those colors and patterns!
