

Here we go!! It's Time to Cut The Scraps!!

This quilt works well with either a light or dark background.

For the light fabrics listed below, please use colors, pastels, pale greens, pinks, oranges, blues, etc. I've already been asked "What's the difference between light and very light?" My answer is after you have chosen your lights, separate them into light and very light. And, sorry about the 2 5/8" squares.....not a size I save either! I tried 2 1/2 and 2 3/4 and they just didn't work. I couldn't figure it so you could just trim them down so I guess you'll just have to trim to start with. But you have lots of time and the clues will begin before you know it! The first clue will be given on January 12, 2016 at 7 pm EST.
